This matter is before the Court on defendant's motion for sentence reduction pursuant to 18 U.S.C. § 3582(c)(2) (Filing No. [66](#)), and the stipulation of the parties (Filing No. [67](#)). Pursuant to the retroactive amendment to the crack cocaine guidelines, the defendant's final offense level is reduced from 29 to 27. His criminal history category remains at VI. The government and defense agree that his sentence should be reduced to one hundred thirty (130) months imprisonment, considering the prior computation of specific offense characteristics, adjustments, and departures. Accordingly,

IT IS ORDERED:

1) The motion to reduce sentence is granted and the stipulation of the parties is approved and adopted; the sentence of the defendant is reduced to one hundred thirty (130) months. Defendant shall receive credit for all time served.

2) The conditions of supervised release entered in the original judgment and committal order remain in full force and effect.

DATED this 12th day of March, 2014.
